All prices are subject to change without notice; however, all contracted prices will be honored. If you have any questions please contact your catering representative.

### MINIMUM

A total food and beverage minimum will apply to your event. This number is determined based on the expected number of guests and event space required and may vary based on day of the week and date of interest.

### SERVICE CHARGE/ TAX FEES

All menu prices are subject to the prevailing taxable service charge and sales tax, which are currently 25% service and 6% sales tax. Prices valid through December 31, 2021. A fee of \$125 applies to serviced meals and action stations ordered for 25 people or less. A fee of \$150 applies for each bartender. A fee of \$150 applies for each chef per station. A re-tray fee of \$150 applies for food relocation and/or re-tray requests for later use. All prices listed are subject to changes correlating with the fluctuation in market costs of food, beverages or other operating and supply fees. All taxes and service fees are subject to change. The Hotel at Arundel Preserve does not offer ticket collectors during meal functions. Any badge or ticket checking is the responsibility of the client or appointed personnel.

### MISCELLANEOUS CHARGES

Some additional charges may be incurred while planning your event. These charges may include, but are not limited to: vendor meals for your entertainment as well as the necessary power requirements for your event, lighting company, vendor station attendant fees, delivery of amenities, etc.

### DEPOSITS / BILLING SCHEDULE

Deposits are based on your contracted food, beverage and room rental minimum. Your first deposit will be due along with your signed catering contract, and is based on 20% of your anticipated revenue. Final pre-payment of all estimated charges is due ten business days prior to the event via certified or cashiers check or credit card along with the guaranteed number of attendees. A personal check will be accepted as final payment provided it is received fourteen business days prior to the event with a credit card on file as back-up. Signed Banquet Event Orders are required 10 business days prior to the event along with any additional certified funds to satisfy the balance due.

### MENU TASTING

For all contracted events of \$10,000++ or more in Food and Beverage Revenue; up to four guests are invited to a complimentary menu tasting (of lunch and dinner items only) two to three months prior to your event. Tastings will be scheduled during non-peak meal hours and are based on availability.

Tastings are not available for the following meal periods: breakfast, reception, hors d'oeuvres and buffets.

### FOOD AND BEVERAGE

All food and beverage must be supplied and prepared by the hotel and consumed in the function room for which it was purchased with the exception of a celebratory cake. No food or beverage may be removed from the premises. Only hotel servers may dispense alcoholic beverages. We are able to cater to special dietary requirements, including vegetarians, gluten-free and vegan. Kosher orders must be submitted a minimum of fourteen days prior to event. Please inform your Hotel contact of any dietary or customized menu needs.

### FOOD AND BEVERAGE GUARANTEE

Ten business days prior to function date, the final guaranteed number of attendees must be submitted no later than 10 a.m. If the guarantee is not submitted, the contracted agreed attendance number will become the guaranteed. If your actual numbers should increase more than your guaranteed number on the day of the event, the fee assessed is \$20.00++ per person added to the event in addition to the menu price. Changes to the menu will result in a \$25.00++ per person fee in addition to the menu price.

### BARS

In accordance of our Maryland State Beverage Licensing, the hotel is responsible for supplying all products and bar labor for any alcohol-related services. Self-service bars are not permitted. Any generated cash bar sales are applied towards the agreed food and beverage minimum. Food service is required with all bar setups.
